

Standard Polish Colours

Using the finest kiln-dried hardwood from PEFC managed European forests, our tables are also available with a variety of surface finishes. Limitations of the printing process of veneers and laminates, together with variations in natural materials means that printed depictions of colour will be approximate.

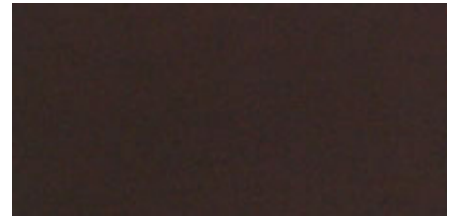

We offer a standard range of 11 polish colours:

P54 Light Oak

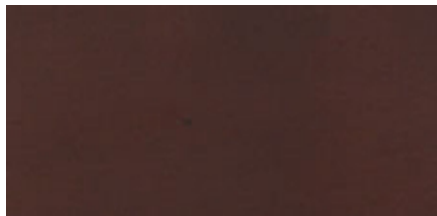

P55 Light Walnut

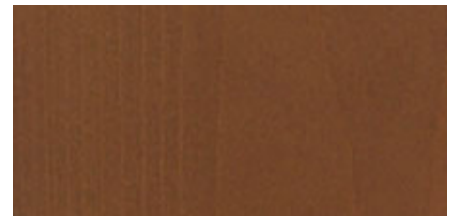

P36 Dark Oak

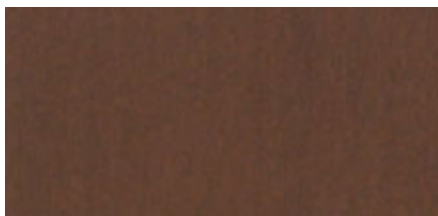

P30 Natural Beech

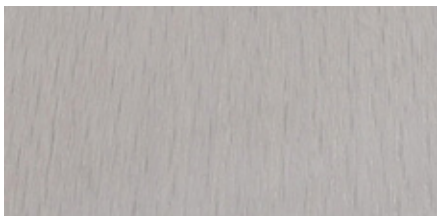

P33 Wenge

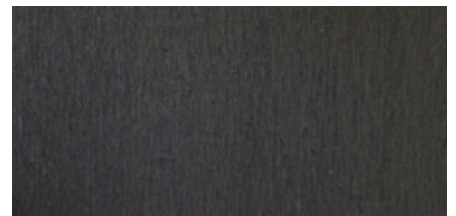

P38 Teak

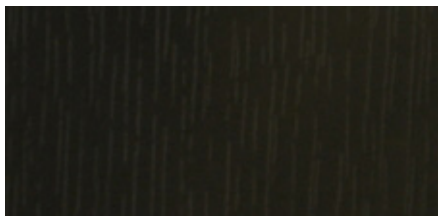

P37 Walnut

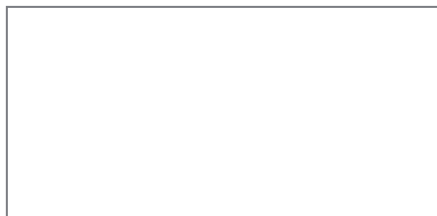

P56 Limed Oak
[Only available when oak species is specified.]

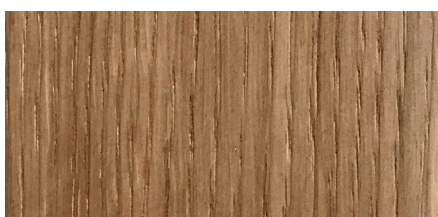

P59 Grey Oak

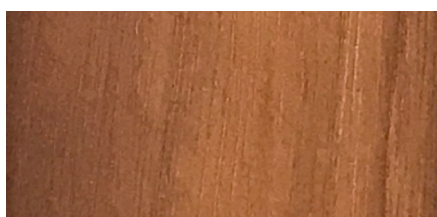

P60 Black

P70 White

Oak Species

Walnut Species

Surcharge for oak and walnut species timber.
